Background:

SAMA Construction is a South African maintenance construction company. It is a privately owned black business founded in 2001 and registered under the Companies Act, trading as SAMA Construction cc. Construction is registered with the Construction Industry Development Board (6GB PE, 6CE PE, 5ME PE, 1SO PE, 1SK PE, and 1EP PE), National Home Builders Registration Council (NHBRC), and Broad Base Black Economic Empowerment Level 2 (AMAX).

Our offices are based in Rosslyn. We have provided building maintenance services to a diverse clientele such as Coca-Cola, National Brand Limited, and ABInBev since 2001, 2014, and 2015 respectively. Over the years our focus was mainly on private companies. Our current strategy is to expand our scope to the public sector.

Mission:

Our mission is to provide quality services at a competitive rate whilst at the same time maintaining sound relations with our internal and external stakeholders through constructive engagement with clients and constant improvements in our service offering.

Objectives:

To provide **quality service** at competitive rates.

To practice a **customer-centered** approach.

To practice **100% compliance with health and safety** regulations.

To always use **quality materials**.

Timeous completion of projects.

Comply with all **building regulations**, and

Compliance with the requirements of the **Compensation for Occupation and Diseases Act** as amended.

Goals:

Our most important goal is to exceed customer expectations through improved operational efficiency.

Values:

Our operations are governed by the following values:

Professionalism

Integrity

Customer Satisfaction

Ethics:

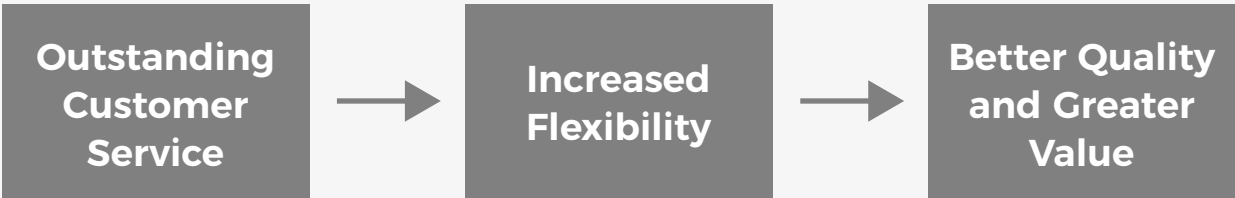

We comply with the five questions of reputation:

- Is it legal?
- Is it in line with our Values?
- How would it look on the front page of a newspaper?
- Would I do it if my family were watching?
- Does it protect our good name?

Principles:

The company undertakes to consistently carry out its mission with absolute discretion and according to sound business principles.

Exceed Customer Expectations by offering:

Services:

SAMA construction cc provides the following services:

Carpentry	Brickwork/Plastering	Supplier
Plumbing	Paving	Concrete Walkways
Painting	Welding	Cleaning
Road markings/Signs	Electrical	Tiling/Carpet Fitting
Transport	Pipe Laying	Partitioning

Project Turnover per Site:

Site	Duration	Turnover (2015-2022)
Coca-Cola	2000 - present	R65 473 912.29
National Brand	2015 - present	R13 630 598.61
ABinbev	2016 - present	R3,622,252.02
IDV Trust	Tender	R2 163 328.72

Quality Assurance and Control:

Our policy is to provide customer satisfaction by applying management expertise and client feedback to complete projects in accordance with client's specifications.

Environment:

SAMA Construction endeavours to complete projects with minimal negative impact to the environment and surrounding communities through constant risk assessments.

Health and Safety:

We practice zero tolerance for non-compliance with safety standards as a result our employees are continuously trained in all areas of health and safety requirements.
